

February 16, 2021

Dear Willow Grove of Dublin Condominium Association Unit Owner:

Your Board of Directors wishes you well and that you remain safe and free of any illness.

As you are aware, COVID-19 has not only had an impact on you, the owner of Willow Grove property, but also on your association and especially our ability to operate as usual. It has affected the ability of the association to get together as a group, to elect and put into operation a new Board of Directors and has affected our property management company, Patterson Merkle.

A mailing was sent out calling for any homeowner interested in running for the two positions on the board. We would like to thank all the candidates for their interest.

Both Chris Conrad and Susan Montgomery were re-elected to the board. Congratulations to both!

We look forward to serving our community!

Sincerely,

Willow Grove of Dublin Condominium Association Board of Directors
